

Yearbook Club 2023-2024

Do you enjoy taking photographs? Using your creativity? Spending time with your friends? Then we need you at Yearbook Club! Yearbook Club is a **before-school** program designed to provide students with opportunities to explore computer editing, media design, photography and yearbook design, while spending time with peers creating a collection of UTES memories. Computer/Yearbook Club is open to all 5th grade students and will meet one time per week.

Computer/Yearbook club will meet on **Wednesday mornings before school starting at 8:15**. Dates for our first meeting will be announced once all permission slips are collected. It is possible that students may be split into two or three groups depending on the number of interested students, each of which will attend on different dates.

If you are interested in participating, please complete the permission slip below and return it by Friday, February 9th.

Students **will not** be permitted to participate in Yearbook Club without a signed permission slip. If you have any questions or concerns, please feel free to contact Mrs. Maione (maione@upperschools.org)

Please keep the top portion of this form for your own information.
