

Upper Township Preschool

Dear Upper Township Families,

The Upper Township School District will be offering a regular education **FULL DAY** preschool program for three and four year olds for the 2023-2024 school year. Children **MUST BE** three years old by 10/1/2023, **fully toilet trained**, and reside in Upper Township to be considered.

The purpose of the program is to provide preschool children with disabilities a regular education experience where they can receive their education with non-disabled peers. This program is located at the Primary School. Each class is taught by a certified teacher and supported by an instructional aide. This full day program will provide all of the students with early learning experiences that will assist them when they enter kindergarten.

Our program focuses on the developmental needs of the child and includes appropriate activities to help develop communication, motor, self-help, and behavioral skills. Specials, an opportunity to buy lunch, and nap time is also included.

The preschool follows the Upper Township School District calendar. There will be tuition of \$7,250 for non-disabled students. Transportation is not available. Selection will be made by a public lottery. Applications for participation in the lottery will be available at the Primary School March 27th through March 31st only. The lottery will be on April 5th at 7pm at the Upper Township Primary School. A representative from the child's family must be present. Participants will be notified at the lottery and a waiting list will be drawn once the spots are filled.
