Dear Families:

All Cape May County Superintendents continue to articulate and collaborate with the Cape May County Departments of Health and Education to best respond to COVID-19.

We are all very concerned for the health and welfare of ALL Cape May County staff and students and our coordination of efforts is providing us timely knowledge and guidance as we navigate through these uncharted waters of uncertainty. As a county, we will continue that conversation over the next 24 hours and will have the decision of whether or not to close our schools made by 7:00 PM tomorrow evening.

With this in mind, I thank you for your levels of preparedness in anticipation of an extended school closure and please continue to visit our website [www.upperschools.org](http://www.upperschools.org) for additional information.

Yours in good health,

*Mr. Palmieri*
