

Upper Township Preschool

Dear Upper Township Families,

The Upper Township School District will be offering a regular education **FULL DAY** preschool program for three and four year olds for the 2022-2023 school year. The purpose of the program is to provide preschool children with disabilities a regular education experience where they can receive their education with non-disabled peers.

This program is located at the Primary School. Each class is taught by a certified teacher and supported by an instructional aide. Children **MUST BE** three years old by 10/1/2022 and **fully toilet trained** to be considered. The program follows the Upper Township School District calendar. There will be tuition of \$6500 for non-disabled students. Transportation is not available. Selection will be by a virtual lottery. Instructions for the lottery will be posted on the Upper Township School District website.

This full day program will provide all of the students with early learning experiences that will assist them when they enter kindergarten. Our program focuses on the developmental needs of the child and includes appropriate activities to help develop communication, motor, self-help, and behavioral skills. Specials, an opportunity to buy lunch, and nap time is also included.

Application for participation in the lottery will be made via virtual link that will only be available on the District website March 28th-April 1st.

The virtual lottery will be held on April 13th. Participants will be notified via email on or about April 14th. A waiting list will be drawn once the spots are filled.
