

Strategic Planning: We Need *You!!!*

1st Meeting Date: Wednesday, January 24
Time: 6:30 pm (meeting will be about 90 minutes)
Location: Upper Township Middle School Library

The Upper Township School District and Board of Education invite you to partner with us in the strategic planning process. Your voice matters in helping us set district goals for the next five years. We invite our families, community members, staff, and students to partner with us to create a shared vision for the future of the UTSD. The NJ School Boards Association will facilitate our meetings that will engage our participants in meaningful conversations focused on setting goals for our district. We will create a shared vision for our district, discuss our district and community's unique strengths, and identify the challenges and opportunities we face. In the end, we will create an achievable plan of goals and action steps that will lead our district into the future. We hope you will join with us to share your thoughts, ideas and hopes so we can effectively plan for the future success of all of our students.
