Students may be invited to join the National Junior Honor Society at the end of the second trimester of their 7th grade year based on their academic average.

- If your cumulative average** (for both 6th and 7th grade) is a 95 or above, you will receive a formal letter of invitation.

During the application process, applicants should have the following information from their 6th grade year:

- Documentation of at least 4 service hours completed between July 1, 2022 June 30, 2023. Hours completed during July and August of 2023 may be counted towards either 6th OR 7th grade requirements.
- Documentation of at least 2 school credits* completed during your 6th grade school year

Please be mindful that although you may not be invited to join NJHS until the end of your 7th grade year, you must begin to log and document your activity this year. (See informational slideshow on our website for specific directions)

** The cumulative average will include the first, second, and third trimester of 6th grade as well as the first and second trimester of 7th grade. All classes earning a numeric grade are used in the calculation. Art, Music, and Industrial Arts are each calculated as $\frac{1}{3}$ of a grade, as these courses only meet for one trimester.

* A list of qualifying school credits can be found on our website.
